INDEX TO REAL ESTATE RECORD.

PUBLISHED AT 191 BROADWAY, COR. DEY ST., N. Y.

TERMS, SIX DOLLARS PER ANNUM IN ADVANCE.

VOL. XXXIV.

JULY—DECEMBER.

1884.

The following semi-annual Index of the Conveyances and Projected Buildings in New York and Kings Counties, as published in THE RECORD AND GUIDE during the last six months of 1884, will be found of great value and utility to those of our readers who have preserved all the issues of this paper during that period. Every care has been taken to keep the Index up to the same perfect standard as in the past. The pages are given in which all the transfers of realty can immediately be found, and the streets and avenues are sub-divided, so that very few references are required. For instance, transfers of property on the Bowery appear in seven numbers during the six months, which in the Index are sub-divided into four parts of the street, so that the least possible trouble need be incurred, a transfer being found by referring to but two or three pages, provided it is known between what streets the property is located. The Projected Buildings are indexed in a similar manner, so that it can be readily ascertained on what streets improvements have been made. Those wishing to keep a file for permanent reference should see that all the numbers are complete and have them bound. A suitable binder can be had at the office of THE RECORD AND GUIDE, 191 Broadway, corner of Dey street, price one dollar.
