# INDEX TO THE RECORD AND GUIDE.

VOL. XLVII.

JANUARY—JUNE, INCLUSIVE.

1891.

The following semi-annual Index of the Conveyances and Projected Buildings in New York City, as published in THE RECORD AND GUIDE during the first half of 1891, will be found of great value to those of our subscribers who have preserved all the issues of this paper during that period. Our usual care has been taken to keep the Index up to the same perfect standard which has characterized it in the past. The pages are given on which all the transfers of realty published in Volume XLVII. can be found, and the streets and avenues are so subdivided that few references are required. For instance, transfers of property on Allen street appear in eight issues during the six months. Allen street in the Index is subdivided into three parts, so that the least possible trouble need be incurred, provided it is known between what streets the property is located. In this volume we have continued to arrange the transfers in such a manner that every street affected can be seen at a glance by turning to the pages which the Index calls for. Take for instance page 12 and find thereon:

Broadway, Nos. 1671-1677 begins 52d st, n s, 425, 6 52d st, No. 227 e 8th av, runs north 100.5 x east 89.6 to w s Broadway, x south 101 to 52d st, x west 100.3.

The above applies when a piece of property is on the corner of any street or avenue and runs in depth upon both streets more than 100 feet, or when a plot has buildings fronting on both streets, and also when the property begins on one

street and runs to another. Although many of our subscribers have used the Index for years, some of them do not fully understand the completeness of the work. We are frequently told of errors that our readers think they have discovered, which, upon investigation, prove to be errors of the searcher—not of the Index. For instance, in the current number appears the following: New st, from Wall st to Exchange pl, 203, 399, 909, the latter being the pages on which transfers on said street may be found. Now, turning to page 909, the average searcher would fail to find the item referred to, because it does not appear in the alphabetical order of streets. A close search shows the item under the head of Broadway, s e s, 32.5 n e Exchange pl, where a plot 35x irreg., running through to New st., is conveyed. The Index is, therefore, in some cases condemned for a supposed omission which is really the strongest evidence of the thoroughness with which it has been compiled. Where such an omission should occasionally seem apparent to the subscriber, he should search the whole page, and he will then find the item which is referred to. The Projected Buildings are indexed in a similar manner, so that it can readily be ascertained on what streets improvements have been made. Those wishing to keep a file for permanent reference should see that all the numbers are complete and have them bound. A suitable binder can be obtained at the office of THE RECORD AND GUIDE, 14 and 16 Vesey street; price, one dollar.

Below will be found a table showing the boundary lines of each of the thirteen Sections, and under which all property is now indexed in the Register's office by locality on new land maps of New York City, according to new law, which went into effect Jan. 1, 1891:

- Sec.
- 1.—South of Grand and Watts sts, between East and North Rivers.
  - 2.—From Grand and Watts sts to 14th st, East and North Rivers.
  - 3.—From 14th to 40th st, East and North Rivers.
  - 4.—From 40th to 96th st, west of 6th av and line drawn parallel thereto.
  - 5.—From 40th to 96th st, east of 6th av, and line drawn parallel thereto.
  - 6.—From 96th st to Harlem River, east of 6th av, and line drawn parallel thereto.
  - 7.—From 96th to 155th st, at Harlem River, west of Lenox av, and line drawn parallel thereto.
  - 8.—From 155th st to Spuyten Duyvil Creek, west of Harlem River.
  - 9.—From Harlem River to 169th st, west of St. Ann's and 3d avs.
  - 10.—From Harlem River to 169th st, east of St. Ann's and 3d avs.
  - 11.—From 169th st to Pelham av and Kingsbridge road, bet Bronx and Harlem Rivers.
  - 12.—From Pelham av and Kingsbridge road and city line, bet Bronx River and Broadway.
  - 13.—From Harlem River and city line, bet Broadway and Hudson River.

## CONVEYANCES.

NOTE.—The figures in extra black type—for instance, pages 241, 747 and 875 under the head of Broadway, between 8th and 11th streets—denote that the transaction on the pages given is Leasehold, or a lease running for a long term of years. This explanation is made so that subscribers searching for transfers in fee can at once distinguish between the former and the latter without referring to the page mentioned.
