MORTGAGES.

Borough of Brooklyn.

NOTE.—The arrangement of this list is as follows: The first name is that of the mortgagor, the next that of the mortgagee. The description of the property then follows, then the date of the mortgage, the time for which it was given, and the amount. The general dates used as headlines are the dates when the mortgage was handed into the Register's office to be recorded.

When the letters "P.M." occur, preceded by the names of a street in these lists of mortgages, they mean that it is a Purchase Money Mortgage,

and for fuller particulars see the list of transfers under the corresponding date.
